## TO ALL MEMBERS OF THE MELBOURNE COLLEGIANS WATER POLO CLUB re: 2009/2010 Registration and Club Membership fees

Please find attached a copy of the new 2009/2010 Melbourne Collegians Club Membership and VWPI Registration forms for each membership/player category for your use. Copies will also be uploaded onto the Melbourne Collegians website.

Please read the forms carefully, complete the one applicable to your playing/membership category as directed and return it to the Club Registrar for processing. **All members must be registered to enable them to either train or play.**

Please note that the next State League competition commences on 4th August and **registrations must be in and fees paid** (either full payment or first instalment) **by 27th July** to ensure that you are registered in time and eligible to play.

There is again a **Staged Payment option** in most categories in this year's registration. This may be of benefit to some, although it creates extra administrative work for the Club. Refer to attached forms for details on payment amounts and due dates.

**Registration Applications cannot be processed without payment of fees.** Any outstanding fees from the previous year must be paid before Registration Applications can be processed.

.....  
Fees have been set in order to ensure that the Club covers all costs and does not incur a loss on normal operating/water polo expenses. Fundraising will still be required to ensure that other extraordinary costs (Presentations, etc..) are also adequately covered.

Again, the **combined Club/VWPI registration fee includes** your VWPI Registration, Club Membership, Sports Insurance, VWPI Game Fees (Club Challenge extra), Training and a **Club Towel**.

Base fees generally remain unchanged for most categories in 2009/10 with only the Club Towel levy being added.

Player categories where the base fee has increased is generally limited to situations where players compete in multiple games within the one round and for which extra Game Fees are to be charged. This has not been the case in previous years.

Increases in the Tadpole and U12/ U14 categories were made to more accurately reflect the value of a full year of training and 15 rounds of MSJ games.

If you have any queries, please contact the Club President, Secretary or Treasurer for explanation.

on behalf of the

**BOARD OF MELBOURNE COLLEGIANS WATER POLO CLUB Inc**
